

Liaison Statement from JTC 1/SC 34 to Ecma TC 45 on the maintenance of ISO/IEC 29500 (Office Open XML)

ISO/IEC DIS 29500 (Office Open XML file formats) has received the necessary number of votes for approval as an ISO/IEC International Standard. SC34 recognizes that Ecma TC45 members have in-depth knowledge, technical expertise on ISO/IEC 29500 and will seek to preserve and allow for inclusion of this existing body of technical expertise in SC34. SC34 therefore invite Ecma TC45 members to attend and fully participate in ISO/IEC JTC 1 SC 34 Ad Hoc Group 1, ISO/IEC JTC 1 SC 34 Ad Hoc Group 2 as well as in any future working group that will be dedicated to the maintenance of ISO/IEC 29500. SC34 intends to organize an efficient and timely process for maintaining and handling new work items to insure the evolution of the standard in following the JTC 1 Directives.
