NOTES

- 1 NO-BREAK SPACE (NBSP) is a graphic character the visual representation of which consists of the absence of a graphic symbol, for use when a line break is to be prevented in the text as presented.
- 2 SOFT HYPHEN (SHY) is a graphic character that is imaged by a graphic symbol identical with, or similar to, that representing HYPHEN (ISO 646, code table position 2/13), for use when a line break has been established within a word.
